Motel Transylvania is an independent Italian metal band founded in 2014.

The band has been expanding its live activity since the very beginning, performing in many cities around Europe.

In 2023 Motel Transylvania released the new album "Generation Lost", produced by Marco Barusso.

The tour has already reached prestigious venues such as Dark Malta (MT), Burning Pants (DE), Helsinki Industrial Festival (FI), Corrosion Festival (UK), Icerock Festival (CH), Mater Noctis (IT), Castle Rock (DE) and many more.

Each show has grown the project's reputation and following, gradually conquering a space on the international scene.
